## Welcome to the 4-H Fair!

It's the first day of the annual 4-H Fair – and we're glad to see you here! Every year, 4-Hers from Tompkins County come to the 4-H Fair to exhibit the projects they've worked on this year, whether it's their animals, cooking, crafting, or even record books. There's a huge amount of variety in our 4-H projects this year, so come down to Kiwanis Hall and take a look at what others accomplished this year!

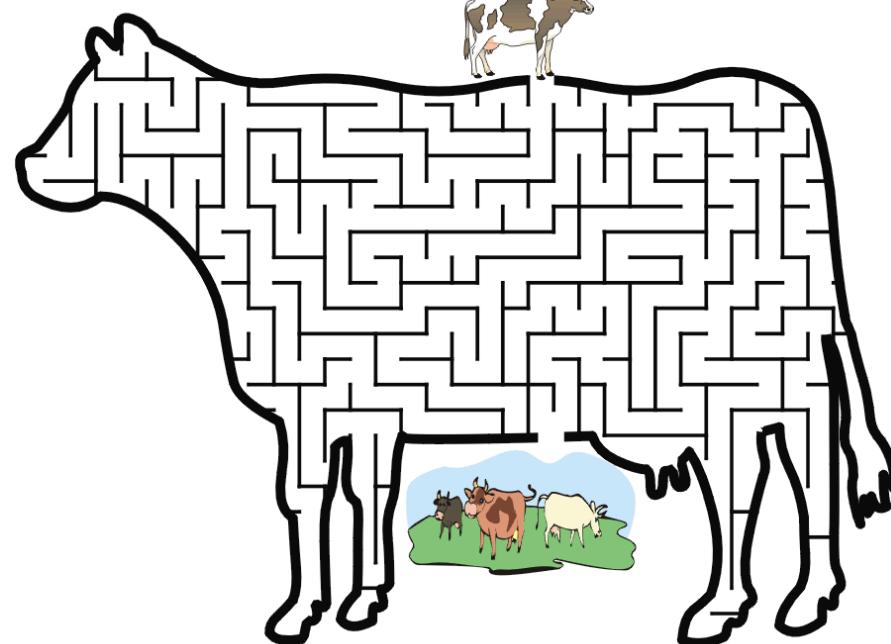

Congratulations, 4-Hers! I hope you had fun and learned lots. It's a lot of time and effort to put together a project, but it's well worth it. Remember, it's not the ribbon the counts, it's what you learned and enjoyed while creating your project.

# 4-H Pledges

A pledge is a promise to yourself and those you care about. The 4-H Pledge gives us inspiration of how to be better in our heads, hearts, hands, and health. It teaches us the importance of critical thinking and problem solving; of compassion and empathy; of community and volunteering; and of caring for ourselves and others.

7 million 4-Hers across 80 countries take this pledge at each meeting to do better for everyone, from their club to their world and all those in between.
